# INCREDIBLE INDIA

**LPU** uniting learners across the world.

Slowly as the world is resuming its pace, the higher education world is coming back to a new normal.

With that spirit, LPU brings an Indian expedition for the students, faculty & staff from all over the world, consciously put together, to paint a detailed picture of Indian culture, values and unveiling the sheer energy of India through action-packed Experience **Incredible India Program**. A three day carefully crafted program will blend in activities and interactive sessions on learning about the rich culture and heritage of India
